**Part X - FIN 48 Footnote**

The Organization has adopted guidance issued by the Financial Accounting Standards Board (FASB) relating to uncertain tax positions. The Organization's policy is to classify income tax related interest and penalties in interest expense and other expenses, respectively. The Organization has analyzed tax positions taken and believes that income tax filing positions would be sustained upon examination and does not anticipate any adjustments that would have a material adverse effect on the Organization's financial condition, results of operations or cash flows. Accordingly, there were no interest or penalties recognized for uncertain tax positions during the year ended June 30, 2013, and there were no accruals for interest and penalties at June 30, 2013. The 2010-2012 tax years for federal and state of Illinois income tax returns (the Organization's major tax jurisdictions) remain open and are subject to examination.
