

Our Fox Valley United Way community has grown!

We are honored to be working with the eight communities* that were previously supported by United Way of Central Kane County.

These towns join our current Fox Valley United Way family—15 communities in southern Kane and Kendall Counties.

All together that means we will be supporting 63 social service agencies meeting the needs of residents in 23 municipalities.

We fight for the **health, education and financial stability** of every person in every community.

Fox Valley United Way

How will you LIVE UNITED today?

You want to impact your community—to do something that will help your neighbors who have limited resources. But you're just one person, one family, one business. What can you do? Where do you start?

Start with **Fox Valley United Way**. We harness the caring power of the community and direct it to areas of critical need in the Fox Valley.

Want to give, advocate or volunteer to improve lives? Many opportunities await your time, your talents and your resources.

Together with other community members, you can help more than 60 social service agencies in Kane and Kendall counties.

These organizations provide essential services that help to meet education, income and health needs in our community.

When you reach out a hand, even to one person, you affect the life of an entire community.

Here's how we are impacting our community

SPARK Early Learning Initiative — Our partnership with area school districts that is working to ensure that all of Aurora's children receive quality preschool education, setting the stage for success in school and beyond.

VolunteerFoxValley.org — Our website collaboration with Aurora University that connects volunteers with nonprofit organizations in the Fox Valley that need their time and talent.

FamilyWise — A free discount prescription drug card that we distribute that has already helped 10,000 community members save \$1.2 million on medications.

Souper Bowl of Caring — Our annual event gives donors a chance to benefit area food pantries by contributing thousands of pounds of food and thousands of dollars in buying power.

Holiday Assistance — Our opportunity to engage generous individuals, organizations and businesses to provide food and children's gifts to needy families during the holidays.
